

ACT NOW: END AIDS

ABOUT US

We are a national coalition of community-based organizations, health departments, national partners, and activists committed to ending the HIV epidemic in the United States.

WHY US

ANEA Coalition hosts learning collaboratives to share key practices; engages key decision makers to have Ending the Epidemic (EtE) become part of the national discourse; and supports health departments across the country with technical assistance in writing and implementation of EtE plans and processes.

OUR PROGRAMS

ETE UNIVERSITY

EtE University brings advocates and decision makers together for a hands-on learning experience that centers innovative approaches in meeting EHE goals for local jurisdictions.

ANEA ON THE AIR

ANEA on the Air is a monthly web series that covers topics broadly related to the HIV epidemic. It streams live on Facebook and YouTube.

ADVOCACY

ANEA Coalition is committed to developing local and national advocates and activists to help identify policy priorities and organize campaigns to end the HIV epidemic.
